

Customer authorization to Use Concur Connections

Customer hereby agree to:

(a) authorizes Concur to link the Licenses with Armanino through the Concur API (a description of which can be found at <https://developer.concur.com/api-reference/index.html>) in order to enable the exchange of Customer data between the License's and the Armanino's systems for the purpose of the provision of the license purchase;

(b) confirms that Concur's linking of the license with Armanino hereunder shall not be deemed to be part of the license;

(c) waives, releases, and forever discharges Concur and all of its officers, directors, employees, shareholders, agents, and affiliates, and all of their respective successors and assigns, from any and all claims and causes of action, whether known or unknown, which Customer may have arising out of or relating to Concur's disclosure, delivery, and/or provision of any and all customer data through the Concur API to Armanino in accordance with the authorization provided herein; and

(d) indemnifies and holds harmless Concur and all of its officers, directors, employees, shareholders, agents, and affiliates, and all of their respective successors and assigns, from and against any and all loss, damage, liability, and expense arising from any claim brought against any such indemnified party by any third party to the extent relating to Concur's performance in accordance with the authorization provided under this authorization to deliver customer data.

This Customer Authorization to link licenses and exchange customer data: (i) shall be binding upon Customer and its successors, assigns and transferees by operation of law or otherwise unless and until revoked by means of a written notice by Customer to Concur.
