B CORPORATION

Balancing Purpose & Profit

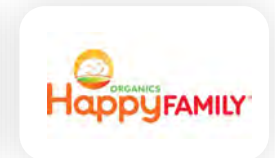

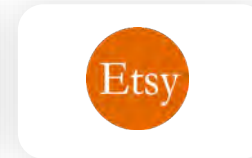

Certified B Corporations are a new kind of business that balance purpose and profit, that meet the highest standards of verified social and environmental performance, public transparency, and legal accountability to balance profit and purpose.

**ARMANINO HAS
JOINED THE B
CORP COMMUNITY**

Armanino is using its business as a force for good. By becoming a certified B Corporation, we are demonstrating how we are meeting the highest standards of social and environmental performance, transparency and accountability.

We are now among other great B Corporations pledged to making a positive impact.

LEADING ROLES

Committed to Women's Advancement

Recognizing the disparity between the number of male and female executives, Armanino has made a concerted effort to recognize, encourage and support women on a path to leadership.

31%

percent of women promoted to partner in the last four years

EXECUTIVE ACCESS PROGRAM

Launched in 2018, this program connects high-potential female managers directly with firm executives to promote and drive career advancement.

INTERNATIONAL WOMEN'S DAY

Annually, Armanino hosts this special event in every office. Staff, clients, local colleges and associations are invited to attend.

PARTICIPATING IN MOVE

In partnership with the Accounting & Financial Women's Alliance, the MOVE Project challenges and equips firms and women to identify and address barriers to women's advancement.

Girls Who Green The World

The background image shows a white rhinoceros in a natural savanna setting. A semi-transparent circular inset on the right side of the image provides a magnified view of the rhino's horn. The word "Questions?" is written in a black serif font within this circle, with a horizontal line underneath it.
